

Technické parametry

The graph shows a linear relationship between Force (F) and Extension (x). The y-axis is labeled 'NM' and ranges from 0 to 1000 with major grid lines every 200 units and minor grid lines every 100 units. The x-axis is labeled 'MPa' and ranges from 0 to 15 with major grid lines every 3 units and minor grid lines every 1 unit. A straight line is plotted starting from the origin (0,0) and passing through the points (3, 200), (6, 400), (9, 600), (12, 800), and (15, 1000).
